

ATLANTA INTERNATIONAL AIRPORT

X115450

POST CARD

ATLANTA INTERNATIONAL AIRPORT **Atlanta, Georgia**

The new airport has the largest passenger terminal complex in the world. It consists of the connected north and south terminal, four domestic concourses, and international terminal, and an underground transit mall. The mall connects the terminals and concourses. Travelers can choose to walk, step onto a moving sidewalk (people mover), or board the transit system.
